curriculum posted in the
classrooms.**

Family Engagement

We had a Parent Meeting on June 20th, and sent the minutes to all parents. Please, when you get a moment, review and send your approval.

We had an Ice Cream Social day for all parents from all classrooms on June 14. It turned out to be a very nice day for staff and parents to get together, talk, socialize, and share memories.

Thank you dear parents for your support.

A Note from Ms. Forooz:

We had a board meeting on June 26. I had the opportunity to meet the Board Members and say hello. It was a very informative meeting. We reported our 5 year plan and the 4 goals for our Program Improvement Plan. Also, our center's story and success, and a financial report from the Accounting Manager. Most of the directors and managers from the head office and all other CUI's schools were present. Our Self Assessment book is out and this book has many pictures and graphs, reports, and stories for all families. Please stop by and take a look at this book. We will be happy to talk and answer your questions. Thank you.

A note from Ms. Shachi

Summer is a great time to take a break and recharge. However, summer slide is also possible. Please keep the routine, read every day, take a trip to the library and museums, cook together. Please check out this article for more info: [Overcoming the Summer Slide and preparing for back to school'.docx - Google Docs](#)

Classroom news

Classroom 2

We said goodbye to our 17 children on July 14.

But we had our graduation party on June 12. It was a great day for all of us to see the proud children performing songs and dance and get their diplomas. They were all so anxious to see their families to be there to take photos and spend time in school with them, Thank you all from Ms. Anahita & Ms. Barbara

Classroom 3

Our end of the year celebration was on June 3. We had lunch, pizza and ice cream, and each one of the toddlers received a goody bag and a diploma for successfully going through the 2023-2024 academic year at CUI.

Thank you parents for you support and participation.
Best from Ms. Jen & Ms. Carla

Classroom 4

We had a graduation celebration for our 18 children who successfully will enter the Kindergarten in Fall. We cannot even explain our feelings and happiness about the success of our PreK classroom throughout the school year 2023-2024

Best of Luck to dear children from the bottom of our hearts Miss Toba, Ms. Robina, and Ms. Vehanush

STEM EXHIBITION DAY-June 10

We prepared projects for the STEM DAY

Summary of our activities :

Window garden, Ladybug Math, books, mixing colors, making your own planet, cloud viewer, making your own rulers, measuring, counting, sorting, shapes and colors, the science of Earth and Space, the science of planting and growing seeds, Star Jars and more...

The children were attracted to the tables of NW-Creative start. Please stop by to see the complete report and pictures of STEM Exhibiting from June 10

ICE CREAM DAY SOCIAL-June 14

We invited families for a day of fun and games. It was supposed to be stormy weather on June 14, so we stayed indoors and had ice cream and staff and families had time to get engaged and socialize. At the end of the day, there was no storm and just a drizzle. But, we had our special day because it was the last day of ½ day school Classroom 2. We said goodbye to the children for the summer.
