## Family Engagement From Ms. Patty

Happy New Year everyone! With starting off for the New Year I would like to remind you of the following:

- our late pick up policy
- Call when your child is sick or will not be at school for any reason
- reminder to bring in a Dr's note if they are sick.
- We will notify all families in time for updated physical & immunization.

## From the Director and Team

A warm hello from NW Creative Start team  
Happy New Year!

For any questions and further information, please contact Forooz or myself. We are more than happy to help. Thank you for your continuous support of NW Creative Start

As we kick off 2025, we're excited to continue providing a nurturing and fun learning environment for your child. We'll be focusing on Multiple Cultural Principles and Winter/Snow/ Winter Animals. Remember to check our updated calendar for any upcoming special events and engagement days and special projects.

We look forward to another year of partnering with you to support your child's development. As always, we appreciate your support and participation in our educational program and specially working closely with our teachers and staff.

## A note from Ms. Shachi

After a long holiday break, it's essential to reestablish daily routines for kids to ensure a smooth transition back to regular activities. Consistent bedtimes, and structured mealtimes help reset their internal clocks and improve focus. We will work together to help your child with school routine, Please let me know if you have any questions about getting routines back at home.

They will continue with Second Step and Baby doll Circle to get these routines down!

## CLASSROOM NEWS

### Classroom 2

We learned about author Study and Earth Science. The author we choose was Eric Carle. Children loved to do finger paint and make some collages like Eric Carle. Their favorite book was "The Very Lonely Firefly" and they enjoyed to make the puzzle that was called "Our Solar System".

We are going to learn about Winter/Snow/ Winter Animals. Our Book is "The Snow Day" by Ezra Jack Keats and our STEM topic will be Physical Science.

We are going to talk about snow, winter and clothes, and asked children to draw their favorite winter animal.

### Classroom 4

What we learned about in the month of December: We learned about how an author can have more than one book and compared their books. The author that we studied was Eric Carle, STEM topic was Earth Science.

Favorite activities in the month of December: Children enjoyed group painting by using bright colored paint to explore their interests and tell their own stories. Children practiced their sign language with reading "Brown Bear, Brown Bear." We talked about weather and science around us during Outdoor Time.

Favorite book from the past month: "Brown Bear, Brown Bear" by Bill Martin Jr/Eric Carle.

What we will be learning about in the month of January: Winter/Snow/Winter Animals around the world.

January 15 at 1:30 PM

Bring your favorite Music and Songs for children and share with us.
